GOVERNMENT OF MADRAS
ABSTRACT

...

DERATIONING - Instructions and factories under Government supervision - Labourers - Scale and Composition of ration - Orders - Passed.

FOOD DEPARTMENT.

Dated 22nd June 1948.

G.O.Ms.No.558, Read the following:-

1. G.O.Ms.No.463 Food dated 21-5-48
2. Govt. Memo. No.23745 B/48 dated 29-5-48.
3. From the Officer in charge of Lignite Investigator, Neyveli (S.A) Dt. CS/699/33/48 dated 5-6-48.

...

ORDER:

The Government consider that industries under Government management or encouraged by Government should be treated differently from other industries in regard to the scale and composition of rations for the main reason that the offices who are directly in charge of the institutions cannot possibly other any extra inducement to the labourers, which the private employers of labour can and the natural result will be diminished attendence in Government factories or workshops leading to ultimate inefficiency and loss. The Government therefore direct in modification of the orders issued in the memorandum second cited, that the labourers engaged in lignite investigation in South Arcot District be given rations at 8 ozs of ~~and~~ rice or wheat plus 2 ozs of maize as in the case of statutarily rationed areas. Taking of maize should be optional. This scale should be adopted in respect of all insitutions or factories working under Government supervision.

2- The Board of Revenue (CS.) is requested to issue necessary instructions to Collecters in the matter and to send 5 copies there of to the Government.

(By order etc.)
